James and Christina,

Attached is a corrected, final HC Troll Plan document, FYI. The only adjustment from our email last week was to drop the reference to Dewatto. Scott had basically copied the text from the BCR for summer chum and it includes the Dewatto, an oversight since the Dewatto as you know isn't located in 12-12B. Thanks for bringing this to our attention, and please replace the previous copy in favor of this one.

Thanks  
Randy
