Subject: Re: BIA Sec 7 Request, 2021-2022 Puget Sound Chinook Harvest Plan

Good afternoon Rudy,

Thank you for your submission and request for ESA section 7 consultation for the 2021-2022 Puget Sound salmon fisheries. The information provided with the request letter looks to contain all of the elements necessary for our ESA review. We will certainly follow up with you should we need anything further. Please look for an update on our review schedule in the coming days. As always, please feel free to reach out with any questions you may have.

Kind regards,

James
